25 years ago, a group of individuals made a decision to change the way cancer had touched their lives, channeling the negative energy into something positive and ultimately, to make a difference. Drive for the Cure Foundation was born.

[Drive for the Cure](#), along with generous support from local businesses and individuals in BC, has come together to raise over \$3 million dollars, providing funds for cancer care and treatment in British Columbia.

GOLF

Pristine fairways is the perfect setting for the Drive for the Cure event.

Scramble your way through the fairways while enjoying exceptional food and auction items along the way. Bring your long drive and cup-seeking irons to grab some amazing prizes. Most of all, "Drive for a Cure."

GOLF COURSE LOCATION:
Northview Golf & Country Club
6857 168 St., Surrey, BC

1:30PM SHOTGUN START.

Golf foursomes will enjoy 18-holes of best ball style play, with great food holes featuring Browns, the Keg and showcasing silent auction items.

AUCTION

Our auctions are made possible with many generous donations from local retailers, family, friends and those with a common goal to support those fighting cancer. This year our auction will be done via app to keep everyone safe.

Team Drive for the Cure is always looking for new and exciting items to add to the auctions. Please contact us with your donations.
