Two and a half decades ago, a dedicated team of individuals decided to transform their personal experiences with cancer into a force for good. This was the genesis of the *Drive for the Cure Foundation*.

The foundation, backed by the unwavering support of local businesses and individuals in BC, has rallied together to amass more than \$5.3 million dollars towards equipment for early cancer detection & treatment of cancer. These funds have been instrumental in enhancing cancer care and treatment across British Columbia, turning a negative force into a beacon of hope and support.

GOLF

The immaculate greens of Northview Golf & Country Club serves as an ideal backdrop for the Drive for the Cure event.

Navigate your way around, relishing in outstanding cuisine and a variety of raffles & beverages to enjoy. Bring your best drive and precision irons to nab some spectacular prizes. Above all, join us as we 'Drive for a Cure.'

Golf enthusiasts participating in foursomes will enjoy an 18-round of play in the best ball style, interspersed with culinary delights that start with the tailgate party hosted by Sammy J's at 11:00AM. Alongside the game, there will be a showcase of silent auction items for everyone's perusal.

1:30PM SHOTGUN START

After you finish your round, we will treat you to a specially curate meal inspired by this years theme, followed by our live auction.

AUCTION

Our auctions thrive on the gracious contributions from local businesses, loved ones, and all those united in the battle against cancer. Team Drive for the Cure is constantly on the lookout for unique and interesting items to include in our auctions. We welcome your donations, so please feel free to reach out to us.
